

ATV Coupler Kit for J-130SX

BOLT
M12-75mm

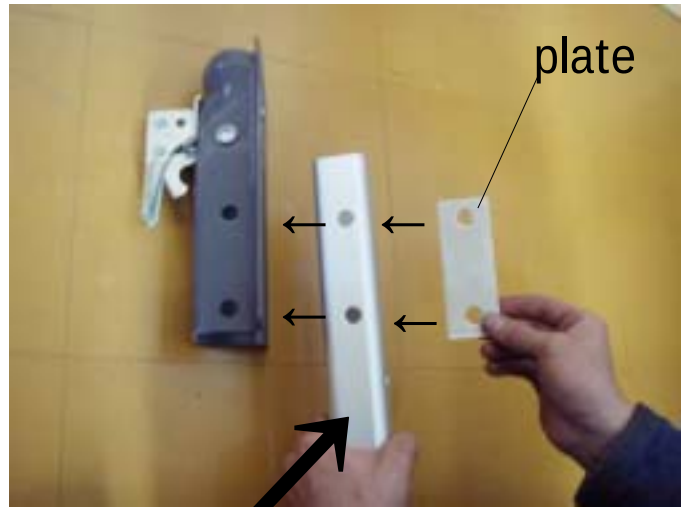

BOLT
M12-110mm

< Caution ! >
Not for hi speed use.
Less than 5km

A boat is surely tie.

A plate is put in the coupler and
the space of the pipe .

It is careful in the direction of the pipe!

The pipe end is just size.

A handle is removed, and
Coupler kit is assembled.
